**TITLE 13: DEPARTMENT OF MOTOR VEHICLES****NOTICE IS HEREBY GIVEN**

The Department of Motor Vehicles (the department) proposes to amend Section 154.00 in Chapter 1, Division 1 of Title 13, California Code of Regulations regarding commercial vehicle weight decals.

**PUBLIC HEARING**

A public hearing regarding this proposed regulatory action is not scheduled. However, a public hearing will be held if any interested person or his or her duly authorized representative requests a public hearing to be held relevant to the proposed action by submitting a written request to the contact person identified in this notice no later than 5:00 P.M., fifteen (15) days prior to the close of the written comment period.

**DEADLINE FOR WRITTEN COMMENTS**

Any interested person or his or her duly authorized representative may submit written comments relevant to the proposed regulations to the contact person identified in this notice. All written comments must be received at the department no later than 5:00 P.M., **November 7, 2005**, the final day of the written comment period, in order for them to be considered by the department before it adopts the proposed regulation.

**AUTHORITY AND REFERENCE**

The department proposes to amend this regulation under the authority granted by section 1651 of the Vehicle Code in order to implement, interpret or make specific Vehicle Code sections 9400 and 9400.1.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Vehicle Code section 9400.1 requires specified fees to be paid for the registration of a commercial motor vehicle operated either singly or in combination with a declared gross vehicle weight of 10,001 pounds or more. Upon payment of fees, the department is required to issue two weight decals to be affixed to the left side and right side doors of the vehicle.

The department proposes to amend Section 154.00 relating to the placement of the weight decals. The proposed amendment would allow the decals to be affixed to the vehicle immediately in front of or behind each door to ensure the decals will be visible at all times.

**FISCAL IMPACT STATEMENT**

- Cost or Savings To Any State Agency: None.
- Other Non-Discretionary Cost or Savings to Local Agencies: None.
- Costs or Savings in Federal Funding to the State: None.

- Cost Impact on Representative Private Persons or Businesses: The department is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
- Effect on Housing Costs: None.

## **DETERMINATIONS**

The department has made the following initial determinations concerning the proposed regulatory action:

- The proposed regulatory action will not have a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. The proposal will provide options for placement of weight decals on commercial vehicles.
- The adoption of this regulation is not expected to create or eliminate jobs or businesses in the state of California or reduce or expand businesses currently doing business in the state of California.
- The proposed regulatory action will not impose a mandate on local agencies or school districts, or a mandate that requires reimbursement pursuant to part 7 (commencing with Section 17500) of Division 4 of the Government Code.
- The proposed regulatory action may affect small businesses. The proposal will provide options for placement of weight decals on commercial vehicles.

## **PUBLIC DISCUSSIONS OF PROPOSED REGULATIONS**

A pre-notice workshop, pursuant to Government Code section 11346.45, is not required because the issues addressed in the proposal are not so complex or large in number that they cannot easily be reviewed during the comment period.

## **ALTERNATIVES CONSIDERED**

The department must determine that no reasonable alternative considered by the department or that has otherwise been identified and brought to the attention of the department would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.
